

THE ECOESC PRESENTS

# FRACTURED FAIRY TALES

A THIRD GRADE VIDEO CONFERENCE

## ✧ Join Us For An Adventure ✧

Fairy tales are a part of every student's early reading experiences and are rich with language skills!

These include parts of speech such as nouns, verbs, pronouns, adjectives and adverbs as well as story elements.

One defining characteristic of any fairy tale is that it has a good character and a bad character or event, a plot, and a story resolution. Join us as we use fairy tales, both familiar

and fractured, to help your students better understand these language skills. Your students

will be actively engaged in an interactive video conference that includes engaging questions, video clips, cloze activities and follow-up

procedures. This conference is geared toward the 3rd grade level and aligns with 3rd grade Ohio content standards.

### What is it?

It is a story that uses fairy tales you know and changes the characters, setting, points of view, or plots. Have you ever heard of *The True Story of the Three Little Pigs* or *The Wolf Who Cried Boy*?
